A very big thank you to the German –speaking congregation of St Boniface at St Thomas Aquinas for your continuing support of Ham and Petersham SOS; both for your fortnightly contribution of delicious cakes for our Tea and Chat at Ham library and the very generous donation of your Christmas collection.

Ham and Petersham SOS support those in our community who are elderly or have a disability and we're always on the lookout for volunteers to help us with our good work. The weekly Tea and Chat sessions are a real favourite of our customers and in November our volunteers started a Lunch Club every Wednesday, also held in the Community Space at Ham Library. The chance to meet for a light lunch of bread and soup has been popular with Ham residents and your donation will help us to fund this and our other activities. We continue to run monthly outings and in December our trip to Squires Garden Centre was followed by a very successful and festive Christmas lunch at the New Inn on Ham Common. Some of you may have seen our new minibus being driven around Ham. Our volunteer drivers use it twice a week to run a shopping bus service to Sainsbury's in Kingston. We already use the minibus for our monthly outings and in 2015 we hope to extend its use as a means of transport for other activities.

Thank you again for your kind support. Sam and all at Ham and Petersham SOS.
